- Recognise Undeclared Dangerous Goods ;
- Be aware of provisions for Dangerous Goods in baggage of passengers and crew;
- Know the rules for loading and storage
- Get familiar with Dangerous Goods emergency response procedures.

This training has been developed on competency-based training and assessment approach - IATA DGR manual chapter 7

Key topics:
- Recognizing dangerous goods
- Identifying the general limitations
- Positioning different roles and responsibilities
- Understanding the criticality of classification & packaging
- Interpreting the hazard communication
- Familiarizing with basic Emergency Response
- Manage dangerous goods pre and during flight

Duration: 2 hours

Exam conditions

All trainees need to pass a final exam in order to complete the DGR course.The minimum pass grade is 80%. If a trainee fails for the first time, he/she will be given a second attempt at the exam. If a trainee fails twice, he/she will have to retake the entire course.

Certification

Once the trainee has passed the final exam, he/she will be provided with a e-Certificate that can be printed. The certificate is then valid for 24 months.
